NYC GENTRIFICATION & DEVELOPMENT

Uncommon travel-study grappling with compelling issues of today.
History is right now.

Collaboratively design solutions to urban gentrification and development in iconic NYC neighborhoods.

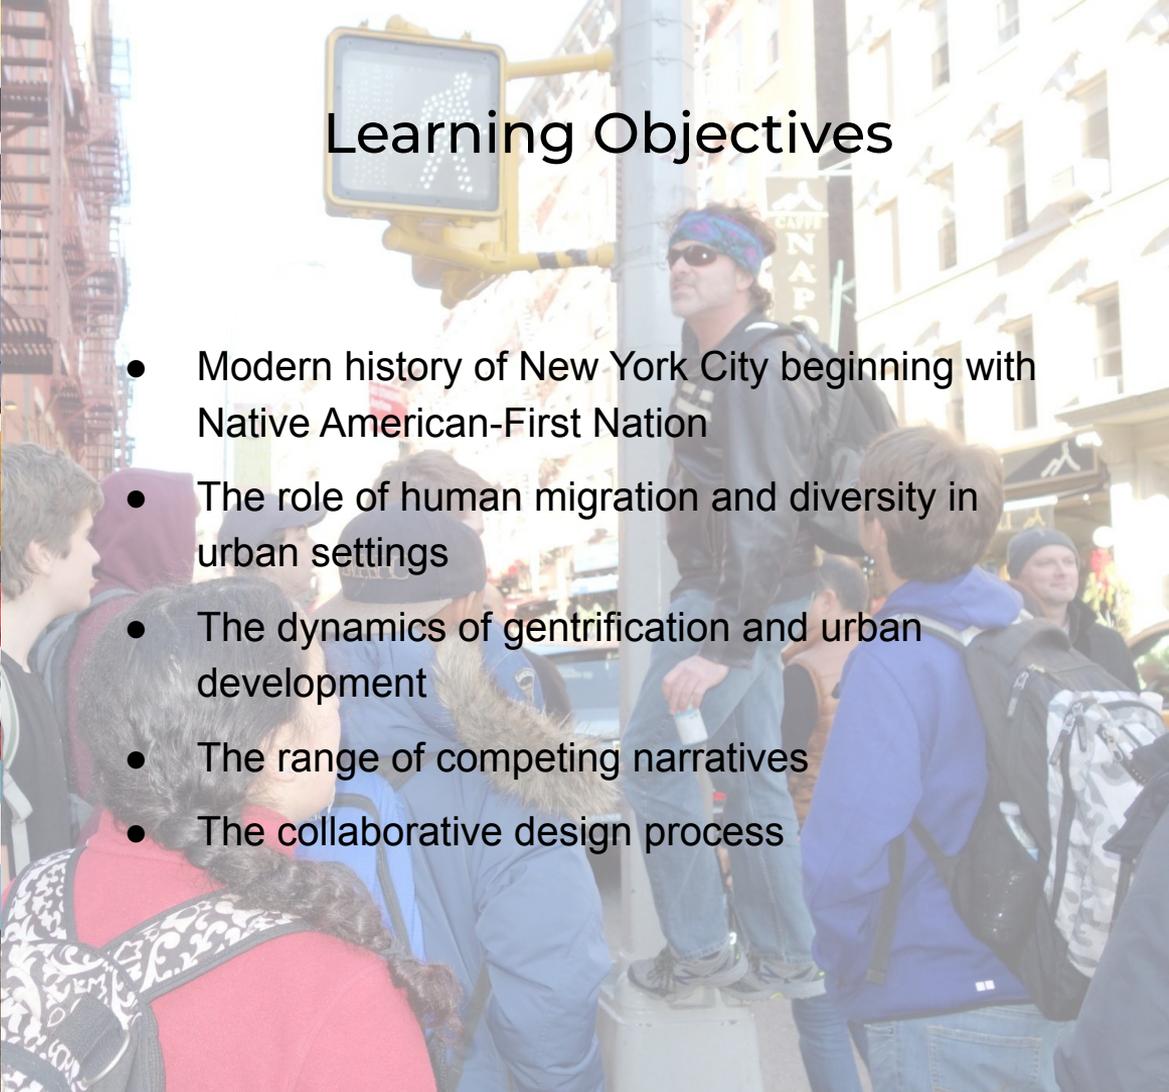

Engage directly with affected communities.

Learning Objectives

- Modern history of New York City beginning with Native American-First Nation
- The role of human migration and diversity in urban settings
- The dynamics of gentrification and urban development
- The range of competing narratives
- The collaborative design process

Included & Optional:

- Curricular standards
- Course syllabus
- Diversified Instruction
- Active and project based curriculum
- Primary sources
- Formative and summative assessments
- Volunteer service
- DEI+ striven
- English, Spanish, Hebrew (all 100% fluent)

- Logistical arrangements
- Emergency plans
- Lead instruction & field guiding full-time
- Budgeting
- Calendar management
- Flexibility and adaptability
- Presenting to administrators, colleagues, students and families

DAY 1 - Meet, Intro, Program Orientation > National Museum of The American Indian > Lunch: Packed to go > Ellis Island > Tenement Museum > Dinner: Katz's Deli > Evening activity: unpack & group meeting > Overnight.

DAY 2 - Bkfst > Collaborative Design session at East Harlem Neighborhood Based Alliance (EHNBA) > Walking tour of East Harlem street art (2hrs) including Graffiti Hall of Fame > Lunch (tacos) East Harlem > Meet, interact, volunteer with affected community members served by EHNBA > Expanded tour of East & West Harlem > Dinner: Jacob's > Harlem Evening activity: Summerstage, Marcus Garvey Park > Overnight.

DAY 3 - Bkfst > Collaborative Design session at EHNBA > Lunch in Rosa's > Meet, interact, volunteer with affected community members served by NBAEH > Walking tour of West Harlem > Dinner: Mambi (Dominican), Washington Heights > Evening activity: Yankees or Mets game > Overnight
